

13th October 2011

Dear Parents,

Farlington's New Website Goes LIVE

I am delighted to be able to announce that Farlington's new website is now officially launched. The new site, www.farlingtonschool.net provides a wealth of information about Farlington and I hope, whilst surfing, you will find it both informative and vibrant.

It is the girls who really bring it to life and I should like to draw your attention to some of the new features. The "School Blogs" – Prep, Senior and 6th Form, where the girls can write about any aspect of life at Farlington; the scrolling news which will keep you bang up to date with events happening both in and out of Farlington; the photo gallery  accessed via the libraries (where incidentally you can also find copies of all the letters which are sent home); the calendars – both Prep and Senior; you can  us on Facebook or even Tweet us  on Twitter and all this in addition to detailed information about our curriculum and extra-curricular activities.

We are now in a fortunate position where we are able to update more easily, any and all, information contained on the website and would welcome any feedback that you may have. Please could I ask that you direct this to me, Sara Greer, Marketing Director (marketing@farlingtonschool.net).

I hope you will agree that our new site brings Farlington comprehensively to life.

Yours sincerely,

Sara Greer
Marketing Director
